ABOUT ME

My name is Hasan Abdurrahman, a 11th-grade Software Engineering student at IDN Boarding School Malang. I am passionate about programming and technology, actively learning coding languages and building projects to improve my skills. I enjoy teamwork and tech competitions, always eager to grow and apply what I learn in real-world scenarios.

EDUCATION

IDN Boarding School Malang   **Jul 2024 - Present**
Vocational High School (SMK)
- Major in Software Engginer.
- Focus on practical programming skills, software development, and project-based learning.
